RSE & Me: Teaching Resource Cheat Sheet

Junior Cycle SPHE (1st–3rd year)

A quick guide for teachers to find trustworthy Irish teaching resources for each Relationships and Sexuality Education (RSE) learning outcome in the Junior Cycle SPHE specification, with a practical universal design for learning (UDL) and autism-friendly adaptation for each.

About this sheet

This sheet maps selected learning outcomes from the NCCA Junior Cycle SPHE specification (2023) to recommended third-party and Autism & Me teaching resources. The specification covers four strands and 100 hours across the three years and has been taught from 1st year since September 2023.

It does not replace the full specification, which is on curriculumonline.ie, or your school's RSE policy. Always check a resource against your school's RSE policy and your students' needs before using it. Outcomes are paraphrased and labelled with NCCA numbers.

How to use this sheet: Each outcome has a short explanation of the key RSE concepts, then a table of outcome focus, recommended resources and a UDL / autism adaptation. Autism & Me resources are listed in their own row. Resource names and publishers are given; a link is included only where it has been checked. The Autism & Me RSE Teaching Pack: Universal Design Edition supports every outcome and is listed under 3.9.

Teaching principles (NCCA guidance for students with special educational needs)

- Differentiate and revisit: plan short, repeated sessions. Pre-teach vocabulary, ideally with visuals, and use correct names for body parts.
- Keep messages consistent across the whole school and with home, and work in partnership with parents and carers.
- Use multi-sensory, inclusive resources, and offer varied ways to show understanding: pointing, writing, sorting, AAC, drawing or a quiet check-in.

Irish law note

The age of consent in Ireland is 17.

Sharing intimate images of someone without their consent is an offence under the Harassment, Harmful Communications and Related Offences Act 2020 (Coco's Law).

This is general information, not legal advice.

If a student makes a disclosure

Follow your school's Child Safeguarding Statement and the Children First procedures. Listen calmly, do not promise confidentiality, do not investigate, and pass the concern to the Designated Liaison Person without delay.

Tell students at the start of RSE lessons who they can talk to and what will happen if they share a concern.

Strand 1: Understanding myself and others

1.1 Changes of the teenage years

Outcome (paraphrased): Students describe the physical, social and emotional changes that come with the teenage years.

Key RSE concepts: Puberty happens at different times for different young people, and changes reach beyond the body to friendships, moods, sleep and independence. Use correct names for body parts and present variation as typical.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Changes in adolescence; hygiene routines	**Relationships and Sexuality Education 1 (Unit of Learning)** · NCCA, curriculumonline.ie *Activities on changes in adolescence and personal hygiene (1st year).* curriculumonline.ie (RSE 1 PDF)	Pre-teach vocabulary with real-life visuals. Use correct names for body parts. Offer a written or picture summary to take home.
Revisiting puberty basics in a familiar format	**Busy Bodies adolescent development booklet** · HSE Health Promotion, healthpromotion.ie *Written for primary level and parents; useful for revisiting before new content. Not a Junior Cycle lesson.* healthpromotion.ie	A familiar, predictable layout can lower anxiety. Pair with the same vocabulary cards each year.
Autism & Me (UDL-adapted) *Owner resource*	• Getting Ready for Puberty (toolkit) • "Getting changed for PE" sequence (picture-board app) • Social story maker (picture-board app)	Sequence cards show what changes and what to do next. Rehearse changing-room routines with the social story maker.

1.4 Influences on identity

Outcome (paraphrased): Students explore influences on identity, including family, peers, culture, gender identity and sexual orientation.

Key RSE concepts: Identity grows from many sources and changes over time. Respectful teaching names a range of families, cultures and identities without singling anyone out.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Gender identity, sexual orientation, what makes a family	**Relationships and Sexuality Education 1 (Unit of Learning)** · NCCA, curriculumonline.ie *Activities on gender identity, sexual orientation and what makes a family.* curriculumonline.ie (RSE 1 PDF)	Use concrete examples and short definitions. Let students respond by pointing, writing or sorting rather than speaking.
Inclusive classroom environment; LGBTQ+ language and terminology	**Belong To Education Resources (post-primary)** · BeLonG To Youth Services, belongto.org *Named items include a creating-inclusive-environments resource, a resource on tackling LGBTQ+ phobic language, and short videos on being LGBTQ+ in Ireland.* belongto.org (education resources)	Preview videos and glossaries before class. Agree a no-surprises plan so students know what is coming.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Autism & Me (UDL-adapted) *Owner resource*	• Who Am I? Identity and Diversity (toolkit)	Visual identity maps value every student's strengths, interests and sensory profile alongside other parts of identity.

1.5 Gender equity and stereotypes

Outcome (paraphrased): Students examine gender equity and how stereotypes shape expectations of boys, girls and others.
Key RSE concepts: Stereotypes can limit choices and shape how people treat each other. Autistic students are often aware of rules and fairness; build on that sense of justice.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Gender stereotypes (1st year)	**Relationships and Sexuality Education 1 (Unit of Learning)** · NCCA, curriculumonline.ie *Activity on gender stereotypes.* curriculumonline.ie (RSE 1 PDF)	Use literal examples and ask "is this a rule or an expectation?" to separate rules from social assumptions.
Gender roles and expectations (3rd year)	**Relationships and Sexuality Education 3 (Unit of Learning)** · NCCA, curriculumonline.ie *Activity on gender roles and expectations.* curriculumonline.ie (RSE 3 PDF)	Provide discussion prompts in writing and allow extra processing time before group work.
Autism & Me (UDL-adapted) *Owner resource*	• Who Am I? Identity and Diversity (toolkit)	Sorting and mapping tasks let students show understanding without whole-class discussion.

1.7 Respectful communication and listening

Outcome (paraphrased): Students practise respectful communication and active listening in different situations.
Key RSE concepts: Respectful communication includes tone, body language, online messages and knowing when to pause. Different communication styles, including AAC and quiet check-ins, are valid.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Healthy connected relationships; maintaining relationships	**Relationships and Sexuality Education 1 (Unit of Learning)** · NCCA, curriculumonline.ie *Activities on healthy connected relationships and maintaining them.* curriculumonline.ie (RSE 1 PDF)	Teach scripts explicitly ("start, ask, listen, reply"). Accept AAC, writing or pointing as full participation.
Respect in peer interactions	**The Respect Effect** · Webwise, webwise.ie *Anti-bullying resource that supports Junior Cycle SPHE learning outcomes.* webwise.ie/TheRespectEffect	Role-play with a clear start and end. Offer observer roles with a checklist for students who prefer not to act.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Autism & Me (UDL-adapted) *Owner resource*	• Making and Keeping Friends (toolkit) • “Ask first?” yes/no (picture-board app) • Social story maker (picture-board app)	Rehearse conversation openers and endings. Yes/no cards give a low-pressure way to practise asking permission.

autismandme.ie

Strand 2: Making healthy choices

2.7 Benefits and difficulties of the online world

Outcome (paraphrased): Students weigh the benefits and difficulties of life online.

Key RSE concepts: Online spaces offer connection, learning and identity exploration, and carry risks such as pressure, unwanted contact and permanence. Avoid fear-only messages.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Life online (1st year)	**My Online World** · Webwise, webwise.ie *Five lessons for first-year students, developed with the NCCA.* webwise.ie/myonlineworld	Use screenshots or mock-ups, not abstract descriptions. Say clearly which rules apply online and offline.
Social media, self-esteem and wellbeing online	**The Full Picture** · Webwise, webwise.ie *SPHE lesson on social media pressures and self-esteem.* webwise.ie/thefullpicture	Offer a calm-down or opt-out signal during image-heavy content.
Selfies, sexting and safety	**Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Activity on selfies, sexting and safety (2nd year).* curriculumonline.ie (RSE 2 PDF)	Keep language literal and consistent. Revisit across several short sessions.
Autism & Me (UDL-adapted) *Owner resource*	• Online Safety Cards (toolkit)	Card sorts turn online rules into clear yes/no decisions.

2.8 Sharing information, images and opinions safely

Outcome (paraphrased): Students decide how to share personal information, images and opinions safely and respectfully.

Key RSE concepts: Once something is shared, control is lost. Students need clear, usable rules about what is private, what is public and who to ask first.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Image sharing, consent and the school response	**Lockers** · Webwise, webwise.ie *SPHE resource for 2nd and 3rd years on non-consensual image sharing: two animations and six lessons.* webwise.ie/lockers	Preview animations first. Give a one-page “before I share” checklist.
Safe habits online (1st year)	**My Online World** · Webwise, webwise.ie *Lessons for first-year students.* webwise.ie/myonlineworld	Teach explicit rules with worked examples. Let students show understanding by sorting or labelling.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Autism & Me (UDL-adapted) *Owner resource*	• "Public and private" sort (picture-board app) • Online Safety Cards (toolkit) • "Ask first?" yes/no (picture-board app)	Public/private sorting makes an invisible rule visible. Practise "ask first" as a repeatable routine.

2.9 Why young people share sexual images

Outcome (paraphrased): Students understand why some young people share sexual images, and the risks and consequences.

Key RSE concepts: Reasons include pressure, trust and curiosity. Respond without shaming. Cover the legal position, how pressure and coercion work, and where to get help.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Why images get shared; consequences; coercion	**Lockers** · Webwise, webwise.ie *2nd and 3rd year lessons.* webwise.ie/lockers **Be in Ctrl** · Webwise, webwise.ie *Junior Cycle SPHE resource on online sexual coercion and extortion: three lesson plans and guidance for school leaders.* webwise.ie/beinctrl	Use scenario cards in third person, not the student's own situation. Provide a quiet exit option.
Law and reporting	**What is Coco's Law? (lessons)** · Webwise, webwise.ie *Lessons on the Harassment, Harmful Communications and Related Offences Act 2020.* webwise.ie/lockers/cocos-law-lesson **Hotline.ie (report suspected illegal online content, including intimate images shared without consent)** · Irish Internet Hotline, hotline.ie *Anonymous reporting route.* hotline.ie **Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Selfies, sexting and safety activity.* curriculumonline.ie (RSE 2 PDF)	State the rule plainly and repeat it. Avoid hypotheticals that rely on reading between the lines.
Autism & Me (UDL-adapted) *Owner resource*	• Sharing Images: The Law in Ireland (toolkit) • Online Safety Cards (toolkit)	Plain-language law summary with visuals. Avoids idioms and implied meanings.

2.10 Trustworthy health information and services

Outcome (paraphrased): Students identify trustworthy sources of health information and services.

Key RSE concepts: Students need a short list of reliable places and a clear sense of how to judge a source. Rehearse what asking for help looks like.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Reliable sexual health information	**Sexual wellbeing (information on consent, contraception, STIs and clinics)** · HSE, hse.ie / sexualwellbeing.ie *Public information; best used for teacher preparation and with older students.* hse.ie/living-well/sexual-wellbeing	Give a one-page contact card with names, numbers and what to say. Rehearse a first message.
Where to turn for support	**Childline, freephone 1800 66 66 66 (free chat and phone support for young people)** · ISPCC, childline.ie *Free chat and phone.* childline.ie **Belong To youth support services (chat, counselling, LGBTQ+ youth groups)** · BeLonG To Youth Services, belongto.org *Chat, counselling and youth groups.* belongto.org	Offer text or chat options for students who find phone calls hard.
Autism & Me (UDL-adapted) *Owner resource*	• Social story maker (picture-board app)	Write a personal “who I can ask” social story and practise it.

autismandme.ie

Strand 3: Relationships and sexuality

3.1 Making, sustaining and ending respectful relationships

Outcome (paraphrased): Students identify the values, behaviours and skills that help make, sustain and end respectful relationships.
Key RSE concepts: Respectful relationships rest on honesty, kindness, reciprocity and the right to say no. Ending a relationship kindly is a skill to practise.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Qualities that count; breaking up	**Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Activities on the qualities that count and on breaking up.* curriculumonline.ie (RSE 2 PDF)	Use scripts and "what could I say?" cards. Name feelings with visuals.
Healthy connected relationships	**Relationships and Sexuality Education 1 (Unit of Learning)** · NCCA, curriculumonline.ie *Activities on healthy connected and maintained relationships.* curriculumonline.ie (RSE 1 PDF)	Provide a simple friendship checklist with examples of respectful and unkind behaviours.
Autism & Me (UDL-adapted) *Owner resource*	• Making and Keeping Friends (toolkit) • "My circles" game (picture-board app) • Social story maker (picture-board app)	Rehearse how to start, keep and end friendships with picture scripts.

3.2 Friendships, family and romantic relationships

Outcome (paraphrased): Students consider the benefits and difficulties in friendships, family and romantic relationships.
Key RSE concepts: Different relationships bring different expectations. Students can feel pressure to have a certain kind of relationship; all choices, including not dating, are valid.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Families and relationships; signs and signals	**Relationships and Sexuality Education 1 (Unit of Learning)** · NCCA, curriculumonline.ie *What makes a family.* curriculumonline.ie (RSE 1 PDF) **Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Signs and signals in relationships; breaking up.* curriculumonline.ie (RSE 2 PDF)	Draw relationships as circles or maps so levels of closeness are visible.
Autism & Me (UDL-adapted) *Owner resource*	• "My circles" game (picture-board app) • Making and Keeping Friends (toolkit)	Visual sorting by closeness shows how behaviour differs between relationships.

3.3 Healthy, unhealthy and abusive relationships

Outcome (paraphrased): Students distinguish healthy, unhealthy and abusive relationships.

Key RSE concepts: Focus on specific behaviours (control, pressure, put-downs, harassment) rather than labels alone. Make clear that abuse is never the young person's fault and tell students who they can talk to.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Signs and signals; sexual harassment	**Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Signs and signals in relationships.* curriculumonline.ie (RSE 2 PDF) **Relationships and Sexuality Education 3 (Unit of Learning)** · NCCA, curriculumonline.ie *"No excuses!" activity on sexual harassment.* curriculumonline.ie (RSE 3 PDF)	Use traffic-light sorting cards (green, amber, red behaviours). Keep examples concrete.
Where to get support	**Childline, freephone 1800 66 66 66 (free chat and phone support for young people)** · ISPCC, childline.ie childline.ie **Child protection and welfare, Children First (reporting a concern)** · Tusla, tusla.ie *For school-level reporting duties.* tusla.ie	Provide a named trusted adult in school and a plain-language "what happens next" page.
Autism & Me (UDL-adapted) *Owner resource*	• "OK touch / not OK touch" sort (picture-board app) • Introduction to Consent (toolkit)	Sorting tasks separate respectful from unwanted behaviour. Concrete, literal examples.

3.4 Healthy boundaries

Outcome (paraphrased): Students recognise and keep healthy personal boundaries.

Key RSE concepts: Boundaries cover body, space, belongings, time and online life. They differ between people and can change. Teach how to say no and how to respond when someone else does.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Consent and boundaries; signs and signals	**Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Activities on consent and on signs and signals.* curriculumonline.ie (RSE 2 PDF) **Relationships and Sexuality Education 3 (Unit of Learning)** · NCCA, curriculumonline.ie *Covers boundaries within its 3rd year outcomes.* curriculumonline.ie (RSE 3 PDF)	Use proximity, space and touch examples with visuals. Respect each student's own sensory boundaries.
Autism & Me (UDL-adapted) *Owner resource*	• My Circles: Boundaries Map (toolkit) • "My circles" game (picture-board app) • "Public and private" sort (picture-board app) • "Ask first?" yes/no (picture-board app) • "Getting changed for PE" sequence (picture-board app)	Maps and sorting make unwritten social rules explicit and discussable.

3.5 Reproductive health

Outcome (paraphrased): Students describe the reproductive system and reproductive health, including menstruation.
Key RSE concepts: Use correct anatomical terms. Cover periods, hygiene, wet dreams and the reproductive process matter-of-factly; normalise questions.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Human reproduction; female and male reproductive health	**Relationships and Sexuality Education 1 (Unit of Learning)** · NCCA, curriculumonline.ie *The journey of the egg and sperm.* curriculumonline.ie (RSE 1 PDF) **Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Menstrual wellbeing; male reproductive health.* curriculumonline.ie (RSE 2 PDF)	Provide labelled diagrams with correct names. Allow written questions in a question box.
Puberty revision	**Busy Bodies adolescent development booklet** · HSE Health Promotion, healthpromotion.ie *Primary-level booklet; revisit for students who need a familiar format.* healthpromotion.ie	Familiar vocabulary and layout support recall. Pair with sequence cards.
Autism & Me (UDL-adapted) *Owner resource*	• Getting Ready for Puberty (toolkit) • Periods: A Visual Routine (toolkit) • "Getting changed for PE" sequence (picture-board app)	Visual routines support period management and sensory preparation (products, clothing, toilets).

3.6 Human sexuality, sexual orientation and gender identity

Outcome (paraphrased): Students appreciate the breadth of human sexuality, including sexual orientation and gender identity.
Key RSE concepts: Present sexuality as a normal range. Use inclusive language and make clear that all students are valued. Be ready for LGBTQ+ and autistic students in the room.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Gender identity and sexual orientation	**Relationships and Sexuality Education 1 (Unit of Learning)** · NCCA, curriculumonline.ie *Activities on gender identity and sexual orientation.* curriculumonline.ie (RSE 1 PDF)	Define terms with simple examples. Offer anonymous questions.
Inclusive classrooms; language; allyship	**Belong To Education Resources (post-primary)** · BeLonG To Youth Services, belongto.org *Includes language resources and short videos on being LGBTQ+ in Ireland.* belongto.org (education resources) **Stand Up Awareness Week (annual anti-bullying campaign, with allyship lesson)** · BeLonG To Youth Services, belongto.org *Annual campaign; includes an allyship lesson.* belongto.org/standup	Preview videos. Provide a glossary so students are not caught out by unfamiliar words.
Teacher preparation	**Teaching RSE across the Post-primary Continuum (two-day professional learning)** · Oide, oide.ie oide.ie **Teaching RSE across the Strands of the Junior Cycle SPHE Specification (presentation 1)** · Oide, oide.ie oide.ie (presentation PDF)	Plan visuals and vocabulary lists in advance.
Autism & Me (UDL-adapted) *Owner resource*	• Who Am I? Identity and Diversity (toolkit)	Visual, strengths-based identity activities for varied ways of showing understanding.

3.7 Pressures to become sexually intimate

Outcome (paraphrased): Students examine pressures to become sexually intimate and how to respect their own and others' choices.
Key RSE concepts: Pressure can come from peers, partners and media. Rehearse ways to say no, to accept no, and to wait. Not being ready is always a valid choice.

autismandme.ie

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Consent, sexting, alcohol and pressure	**Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Sexual consent and the law; alcohol and consent; selfies and sexting.* curriculumonline.ie (RSE 2 PDF) **Relationships and Sexuality Education 3 (Unit of Learning)** · NCCA, curriculumonline.ie *"No regrets!" activity.* curriculumonline.ie (RSE 3 PDF)	Role-play with scripts and an easy exit. Offer observer or writer roles.
Coercion online	**Be in Ctrl** · Webwise, webwise.ie *Lesson plans on online sexual coercion.* webwise.ie/beinctrl	Use third-person scenarios. Allow extra time and a quiet space.
Autism & Me (UDL-adapted) *Owner resource*	• "Ask first?" yes/no (picture-board app) • Introduction to Consent (toolkit) • "If I feel unsafe" sequence (picture-board app)	Rehearse saying no and asking for help with literal scripts.

3.8 Seeking, giving and receiving consent

Outcome (paraphrased): Students understand seeking, giving and receiving consent, as a relationship skill and in law.

Key RSE concepts: Consent is freely given, can be withdrawn and cannot be given under pressure or when impaired. Pair the relational skill with the legal position.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Consent in relationships and in law	**Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Consent; sexual consent and the law; alcohol and sexual consent.* curriculumonline.ie (RSE 2 PDF)	State the rules literally. Use yes/no cards and concrete examples. Avoid hints and implied meanings.
Law on intimate images	**What is Coco's Law? (lessons)** · Webwise, webwise.ie *Lessons for 1st–2nd year and 3rd–5th year.* webwise.ie/lockers/cocos-law-lesson	Provide a one-page plain-language summary.
Autism & Me (UDL-adapted) *Owner resource*	• Introduction to Consent (toolkit) • "Ask first?" yes/no (picture-board app) • Sharing Images: The Law in Ireland (toolkit)	Plain-language consent routines students can rehearse.

3.9 Safer sexual activity, contraception and STI protection

Outcome (paraphrased): Students describe how contraception and safer sexual activity protect against pregnancy and sexually transmitted infections.

Key RSE concepts: Give factual, non-judgemental information on contraception, condoms and STIs, including testing and where to go.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Contraception; STIs; safer sexual activity	**Relationships and Sexuality Education 2 (Unit of Learning)** · NCCA, curriculumonline.ie *Reproductive health: contraception (2nd year).* curriculumonline.ie (RSE 2 PDF) **Relationships and Sexuality Education 3 (Unit of Learning)** · NCCA, curriculumonline.ie *Condoms and contraception; STIs; safer sexual activity (3rd year).* curriculumonline.ie (RSE 3 PDF)	Use real or model products as demonstration if the school policy allows. Provide fact sheets to keep.
Reliable information and clinics	**Sexual wellbeing (information on consent, contraception, STIs and clinics)** · HSE, hse.ie / sexualwellbeing.ie *Teacher preparation and older students.* hse.ie/living-well/sexual-wellbeing	Offer written follow-up for questions students may not ask aloud.
Autism & Me (UDL-adapted) *Owner resource*	• RSE Teaching Pack: Universal Design Edition (toolkit)	Universal Design Edition for adapting lesson sequences, vocabulary and visuals.

3.10 Popular culture, the online world and pornography

Outcome (paraphrased): Students consider how popular culture, the online world and pornography shape expectations of relationships and sex.

Key RSE concepts: Media often shows unrealistic or harmful pictures of sex and relationships. Name this directly without graphic material and tell students where to get reliable information.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Popular culture; pornography: what is the harm?	**Relationships and Sexuality Education 3 (Unit of Learning)** · NCCA, curriculumonline.ie *Activities on popular culture and pornography.* curriculumonline.ie (RSE 3 PDF)	Use text descriptions, not images. Give notice of the topic and a way to step out.
Social media and body image	**The Full Picture** · Webwise, webwise.ie *Social media pressures and self-esteem.* webwise.ie/thefullpicture	Use screenshots with consent from the school. Pause for processing time.
Autism & Me (UDL-adapted) *Owner resource*	• Online Safety Cards (toolkit)	Cards make online rules and warning signs concrete.

3.11 Trustworthy advice, supports and services

Outcome (paraphrased): Students identify trustworthy advice, supports and services on relationships and sexual health.

Key RSE concepts: Name specific services and explain what contact looks like. Many young people have not made a call or booked an appointment before.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Health information and clinics	**Sexual wellbeing (information on consent, contraception, STIs and clinics)** · HSE, hse.ie / sexualwellbeing.ie *Includes a clinic directory.* hse.ie/living-well/sexual-wellbeing	Give a contact card and practise a first message or call.
Support lines and LGBTQ+ youth services	**Childline, freephone 1800 66 66 66 (free chat and phone support for young people)** · ISPCC, childline.ie childline.ie **Belong To youth support services (chat, counselling, LGBTQ+ youth groups)** · BeLonG To Youth Services, belongto.org belongto.org	Show text and chat routes as well as phone.
Reporting online content; child welfare	**Hotline.ie (report suspected illegal online content, including intimate images shared without consent)** · Irish Internet Hotline, hotline.ie hotline.ie **Child protection and welfare, Children First (reporting a concern)** · Tusla, tusla.ie *For school staff and adults.* tusla.ie	Explain what happens after a report so it is predictable.
Autism & Me (UDL-adapted) *Owner resource*	• Social story maker (picture-board app)	A personal help-seeking script students can keep.

autismandme.ie

Strand 4: Emotional wellbeing

4.6 Recognising abuse and bullying, online and in person

Outcome (paraphrased): Students recognise abuse and bullying, online and in person.

Key RSE concepts: Bullying and abuse can be subtle and can be online. Autistic students may be at greater risk and may find unwritten social rules hard to read; teach clear signs.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Respect and bullying	**The Respect Effect** · Webwise, webwise.ie *Anti-bullying resource supporting Junior Cycle SPHE.* webwise.ie/TheRespectEffect	Use concrete examples of what bullying looks like online and offline.
Online sexual coercion; harassment	**Be in Ctrl** · Webwise, webwise.ie webwise.ie/beinctrl **Relationships and Sexuality Education 3 (Unit of Learning)** · NCCA, curriculumonline.ie *"No excuses!" on sexual harassment.* curriculumonline.ie (RSE 3 PDF)	Provide a clear list of warning signs and a trusted-adult plan.
Autism & Me (UDL-adapted) *Owner resource*	• "OK touch / not OK touch" sort (picture-board app) • "If I feel unsafe" sequence (picture-board app)	Sorting and sequence activities for recognising unsafe situations.

4.7 Responding and reporting

Outcome (paraphrased): Students know how to respond to and report abuse and bullying.

Key RSE concepts: Students need a named adult, a clear process and reassurance that they will be taken seriously. Follow the school's Child Safeguarding Statement.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Where to turn and how to report	**Childline, freephone 1800 66 66 66 (free chat and phone support for young people)** · ISPCC, childline.ie childline.ie **Hotline.ie (report suspected illegal online content, including intimate images shared without consent)** · Irish Internet Hotline, hotline.ie *For online content.* hotline.ie **Child protection and welfare, Children First (reporting a concern)** · Tusla, tusla.ie *For school staff and adults.* tusla.ie	Provide a pocket card with names and numbers. Offer chat or text, not only phone.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
School response to image-sharing incidents	**Lockers** · Webwise, webwise.ie *Includes guidance for schools.* webwise.ie/lockers	Publish the process in plain language and pictures.
Autism & Me (UDL-adapted) *Owner resource*	• "If I feel unsafe" sequence (picture-board app) • Social story maker (picture-board app)	Rehearse the steps (stop, tell, who) with sequence cards.

4.8 Safe bystander actions

Outcome (paraphrased): Students identify safe actions a bystander can take.

Key RSE concepts: Safe actions include supporting the person, telling a trusted adult and not sharing harmful content. Safety first: no student should be asked to put themselves at risk.

Outcome focus	Recommended Irish teaching resources	UDL / autism adaptation
Standing up safely; allyship	**Stand Up Awareness Week (annual anti-bullying campaign, with allyship lesson)** · BeLonG To Youth Services, belongto.org *Annual anti-bullying campaign with an allyship lesson.* belongto.org/standup **The Respect Effect** · Webwise, webwise.ie webwise.ie/TheRespectEffect	Offer a menu of bystander actions so students can pick one that feels safe.
Autism & Me (UDL-adapted) *Owner resource*	• Social story maker (picture-board app) • Making and Keeping Friends (toolkit)	Rehearse what to say or do with short scripts.
